To Whom It May Concern:

The Rural Municipality of Pipestone wishes to offer support to TransCanada for their Energy East Pipeline project.

TransCanada has shown itself to be a responsible partner in the oil and gas industry.

We believe that pipelines provide a safer form of transportation than traveling by roads or rail lines. The R.M. of Pipestone has an ongoing and excellent working relationship with pipeline companies operating in our municipality.

If you require any further information, please contact me at 204-877-3327.

Sincerely,

June Greggor, CMMA
