RE: Support for Energy East Application to the National Energy Board

Please be advised that at a regular meeting of Council on June 11th, the R.M. of Silverwood discussed the Energy East Pipeline being proposed by TransCanada Pipeline and their application made to the National Energy Board. As a result the following resolution, being No. 121.15, was passed:

"That the Council of the R.M. of Silverwood authorize the Administrator to send a letter of support for TransCanada's Energy East Pipeline Project, indicating that the municipality indeed wants to see this project proceed and be completed."

Please feel free to distribute copies of this document as necessary in support of the Energy East Pipeline.

If anyone would like to discuss this further I can be reached at the above numbers.

Yours truly,

Jennalee Beutler
Administrator
