To Whom it may Concern

## **Letter of Support for the TransCanada Energy East Pipeline Project Application**

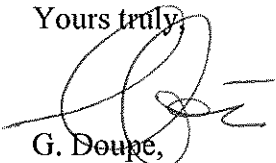

The following motion was passed at the July 8<sup>th</sup>, 2015 meeting of the Council of the Rural Municipality of Kingsley No. 124:

“That the RM of Kingsley write a letter of support for the approval and construction of the TransCanada Energy East Pipeline Project. Carried.”

Council believes that pipelines such as the proposed TransCanada Energy East Pipeline are a reasonable and practical way to meet current demands for oil, given the current alternatives.

The RM of Kingsley wishes you success in your application to the National Energy Board.

Yours truly,

G. Doupe,  
Acting Administrator
