RE: Energy East Pipeline Support

To Whom it May Concern;

On behalf of the Mayor and Council of the Town of Sedgewick this letter is intended to express support for the development of the TransCanada Energy East Pipeline.

Sedgewick recognizes the many economic benefits resulting from this pipeline – our geographical placement contributes to our knowledge regarding pipeline vs rail transportation. With that we believe TransCanada has the proper policies and procedures in place to construct the project safely; not only for the resident communities but also environmentally.

Thank you for providing us with the opportunity to speak on this matter. Should you require anything further please contact the undersigned at 780-384-3504 or via email at [cao@sedgewick.ca](mailto:cao@sedgewick.ca).

Sincerely,

Amanda Davis,  
CAO
