TransCanada Energy East Pipeline Project  
450-1<sup>st</sup> Street SW  
Calgary, AB T2P 5H1

**Re: Letter of Support for Energy Pipeline Project**

Council of the County of Paintearth is pleased to offer its support for the TransCanada Energy East Pipeline Project.

Council believes this project offers potential for economic growth opportunities such as job creation in all provinces and territories across Canada as well as many other benefits such as the supply and purchase of goods and materials. The Energy East Pipeline Project will have a significant positive impact in the Paintearth Region.

We support TransCanada in this endeavor to successfully move the crude oil from Alberta to New Brunswick.

Yours truly,  
COUNTY OF PAINTEARTH NO. 18
